### **Dear Fellow laborers & Praying Friends ,**

The year 2010, we began with exciting anticipation that by God’s grace we can accomplish something for His honor and glory! Our main thrust this year is to win more Souls, growing in grace and bear fruit together in Christ. So far we had a good start, the Month of January many souls got saved and forty –five adults and young people were baptized.

Allow me to share a story, It was Tuesday very early in the morning on the 19<sup>th</sup> of January, Preacher Okello Moses Okello, Joseph one of our Bible Student and I, hired a motorcycle for our journey right up to Acholi land where majority of people in this area is Acholi by tribe, we planted Churches there in three different villages in Pader district. The distance from Lira to that place is 120 Kilometers, on our way we got an accident with motorcycle and two of us were wounded; Joseph was having deep puncture on his thigh, my knee and hand is also wounded except Moses was safe.

Since we do not have first aid kit, we get up from where we fell and keep moving while bleeding, after 15 minutes we stop-over in a Hospital a long the roadside and received treatment. This incident did not deter us instead we continue moving a head until we reach our destinations and preach the Gospel message of our Lord Jesus Christ. After preaching we baptize 17 converts at Patongo River, from there we move to another village in between Pader and Karamoja region, upon arrival we begin moving on foot for 4 kilometers to reach a certain swampy where 19 People again were immersed. To God be the glory great things He hath done, and we praise Him for our partnership working together!

Brethren, Thank you so much for all your help in terms of your prayers, love and financial support, we treasure them all! Your in put with this venture winning African Souls to Christ is commendable indeed. We love you in the Lord! Our prayer is that God will repay you and bless you in so many special ways!

**In Christ,**

Josue Satunero & Family
