

Dear Praying Friends,

Jul-Sep 2009

### **Meetings on Furlough**

It's hard to believe, but furlough is about half over already. We have already reported to 26 of our supporting churches, and we have visited several churches that don't support us, hoping to pick up a few more.

We have already seen many of you; what a blessing you have been to us! We're looking forward to seeing the rest of you in the next few months.

### **Ministry in Uganda**

Brother Martin is in charge of the ministry of Grace Baptist Church of Gulu while we are gone. He reports that things are going well there, and people are being saved.

There was one problem, though. I was letting a man from the church use my bicycle while I was on furlough. Last week, the man was mugged, and they stole my bicycle. We are thankful that the man from our church wasn't hurt.

### **Family in America**

We praise the Lord for our children, who have adjusted quite well to being in America now. We've found out some things about our children while traveling. Andrew finds a "best friend" at almost every church we're in; we have also discovered that he's allergic to cats. Joseph loves to count everything he can find to count. Susanna's favorite word is "no", and Caleb can climb the stairs now! He goes down only by accident. Andrew is in the throes of first grade, and he's doing well at it. Joseph enjoys his preschool activities and being a part of "school" with his big brother.

### **Transition to Uganda**

Please pray for us these next few weeks as we have a few more conferences to be in before Thanksgiving. Then we'll take some time off to be with our families before the holidays. In January it's to the East Coast; then we'll spend the rest of our furlough around the Michigan area visiting churches there.

We are excited about heading back to Uganda in April. Please pray for us as we purchase things, pack things, and plan for our re-entry into Uganda. We are excited about the things the Lord has for us this next term. Please pray with us as we seek His direction in following His will regarding what He'd have us to do during those first few months back in Uganda. It will be here before we know it!

Thank you for your prayers,

Nate, Sara, Andrew, Joseph, Susanna, and Caleb Wright
